SB.p.2

Read about Ismailia الاسماعيلية and put the photos in the correct order.

New message

I am Sherif and I live in Ismailia, which is between Port Said and Suez. The Suez Canal runs through the city before it reaches the sea.

Ismailia is beautiful. There are attractive buildings, interesting monuments and lots of gardens. *Around* 350,000 people live here, but since traffic is slow, there isn't much pollution.

Ismailia is peaceful, but it isn't boring! There are lots of things to do here, especially at the weekends. On Friday afternoons, I often go to Lake Timsah بحيرة التمساح, which is near the city, with my family. It's a beautiful lake with beaches around it.

On Saturday mornings, I have tennis lessons at the sports centre at 9 am. Sometimes I

go swimming in the afternoon with my friend, Sayed.

There are some interesting museums in Ismailia! My favourite is the Natural Science Museum because I'm interested in animals. It's a good place to go at the weekend.

Lesson 2

Listening

\$B.p.5

Listen to Nader and Judy talking about where they live.

My name's Nader. I live in Alexandria with my mum, my dad and my two brothers. Alexandria is a very historical city with lots of famous buildings, ruins and monuments, but it's a modern city, too and there are lots of things to do here. At the weekend, I like to spend time with my family. On Friday

afternoons, we usually go to the park, but sometimes we go to a museum or to the aquarium. I like watching the fish. On Saturdays, I visit my grandparents. They live in Alexandria, too. I enjoy playing chess with my granddad. He's very good at it. But sometimes I win.

My name's Judy and I live in Aswan. It's a busy city with about one and a half million people and there's a lot to do at the weekend. On Friday mornings, I sometimes go shopping. Aswan is a great place for this. There are lots of interesting shops. And I love going to the famous market. I also like to go to the botanical gardens or the nature reserve. On Saturdays.

to the botanical gardens or the nature reserve. On Saturdays, I do my homework and in the afternoon, I go to the sports centre for my squash lessons. It's my favourite sport.

Language WB p. 73

I live in a small village in the south of Egypt. At the weekend, I usually do the same things. On Saturdays, I get up at 7 am, then I always do my homework after breakfast. At lunchtime, I visit my cousins. We like to eat together. Then, in the afternoon, I often play games with my cousins. What do you do?

Khaled: Hi Fawzi. Would you like to come to the Space Exhibition tomorrow?

My dad is taking me.

Fawzi : Yes, please! What time does it start? Khaled: It starts at 9:30. We're going by metro.

Fawzi : Which train shall we get?

Khaled: The first metro train leaves at 8:20 and arrives at 8:30?

Fawzi : That's an hour before the exhibition starts!

Khaled: Perhaps we can leave later.

Fawzi : What time does the exhibition finish?

Khaled: It finishes at 2 pm.

Fawzi : OK. Can we get a train in the afternoon to get back?

Lesson 4 SB - Page 8

Which of these types of transport do you use? When do you use them? Read the texts and answer the questions.

I love travelling by train because it's interesting to look out of the window. In one journey, you can see ferries crossing the Nile, green valleys, peaceful villages and busy cities. Trains are often fast and comfortable, too. Egypt has the oldest railway in Africa. More than 800 million passengers travel by train in Egypt every year on 5,000 kilometres of railway! I take the train when I visit my grandparents in Edfu. It's my favourite journey. Riham

Lots of people in Alexandria use the tram to travel around the city. It's a great way to travel! It's easy to use and it isn't expensive. Trams are electric, so they are better for the environment than other types of transport. Some of the trams in Alexandria are unusual: they have two floors! I like sitting at the top and watching the streets below.

Lesson 4 WB - Page. 75

Some people think that Sydney in Australia has the best transport in the world. Why? Because trains, buses and ferries travel to all parts of the city. Comfortable buses go to the nearest beaches such as Bondi. If you want to get somewhere quickly, fast trains leave from Central Station to many places, including the airport. It is quiet on the water, so

ferries are peaceful and they are also easy to use. It is interesting to see the famous buildings from the water, too.

Lesson 3 58 - Page. 7

Nadia: Which train do we need for Tanta?

Mother: We need the train to Alexandria. Look! It stops at Tanta.

Nadia : Oh Yes. So the next train is at 11:30.

Mother: That's right.

Nadia : And when does it arrive?

Mother: It arrives at 1:45.

Nadia: Which platform does it leave from?

Mother: It's the Alexandria train, so it *leaves* from platform 4.

Lesson 3 WB - Page 74

Good morning. This is the 11:30 train to Luxor. It leaves in five minutes. The train stops at Giza, Assiut and Qena. It doesn't stop at Al Balyana today because there are engineering works. The train arrives in Luxor at 23:15.

Basel: I'm not sure. I hurt my leg, so I can't play sport at the moment.

Taha : Oh dear! Shall we go to the park, then?

Basel: Maybe, but it is a long way to walk. I'd prefer to go somewhere indoors?

Taha: Oh. Ok. How about the museum?

Basel: Perhaps, but it is always busy on Saturdays.

Taha: Ok. So, what would you like to do?

Basel : I think it would be nice to play a computer game. There's a new one that let you

practise your English.

Taha: That sounds like a great idea. Why don't you come to my house?

The online reviews *are* fantastic. The garden *is* very big and there's lots to see. Make sure that you wear comfortable shoes!

I'm sending you a map of the garden. You can see wild flowers and plants from all over the country. There is also a small lake and a museum. What would you like to see first?

We could bring some food with us or we could go to a nearby café for lunch. What would you prefer? There is also a lovely shop near the garden that sells pottery and jewellery!

See you on Saturday,

Reem

From: Munir

Dear Hazem

Thank you for asking me to visit the lake. I would love to go there! I will be ready at 7 am, so you can come to get me any time after that.

Yes, I have some comfortable shoes. I don't mind walking round the lake. I like walking in the country. To answer your question, perhaps we should take a boat on the lake first, before it is too hot.

My mother is going to make me some lunch to take with us, but she always makes lots. I'm sure there will be enough for us to share!

See you on Saturday.

Yours, Munir

I'm Tarek and I live in a small village. On weekdays, there are two buses a day to the nearest city. The first bus is at 7 am and the second one leaves late in the afternoon. My father doesn't take the early bus because it is very slow. The traffic is always bad in the mornings. At the weekend, there is only one bus, which goes at 8 am. There is not much traffic then, so it arrives in the city at 8.30 am. There is a market in the city at this time, so I often take this bus with my mother.

Unit 1- Video script

Aswan is a beautiful city in the south of Egypt. The River Nile runs through the city and there are lots of things to see and do. Many people visit the Aswan Botanical Garden when they are in the city because it is very peaceful here. The garden is on El Nabatat Island (1), opposite the famous Elephantine Island (2) in the River Nile. It's open every day from eight o'clock in the morning to five or six o'clock in the afternoon. To visit, you can go by ferry or even by felucca (3).

Another place to visit in Aswan is the Nubian Museum. It is between Al Fanadek Street (4) and El Sadat Road (5). Some visitors to Aswan take a taxi to visit the museum. You can visit the museum every day. It opens in the morning at nine o'clock and it closes at one o'clock for lunch. It opens again at five o'clock until nine or ten o'clock in the evening. People come here to learn all about the life, culture and history of the people in Nubia.

After they visit the museum, some people take a boat to visit a real Nubian village near Aswan. What can people see and do in your town or city? Are there any botanical gardens or other interesting places to visit?
